

## **NOTICE**

### **STATUS OF GRAHAM MARSH JUNIOR GOLF FOUNDATION**

Since the amalgamation of the WAGA and WGWA into GolfWA, there has been discussion on and questions asked about the future of the Graham Marsh Junior Golf Foundation. At this point discussions regarding the future of the Foundation and what role it may play in the amalgamated body are still being undertaken.

In terms of membership, it has been resolved that those juniors who were financial members of the GMJGF for the 2010/11 year will remain as members of the Foundation and will continue to enjoy the benefits of discounted entry fees and other services. Existing members will not be charged a renewal fee at this point in time and no new members will be taken in. This position will remain until a final decision is made on the future of the GMJGF.
